## 422. PUBLIC RELATIONS RELATING TO TEACHERS – FREE GIFTS

1. All teachers shall make a conscientious effort to become acquainted with the parents of their pupils and establish cordial relationships. This policy recognized that the best results in teaching can be attained when the maximum of cooperation exists between teacher and pupils and their parents.
2. Copies of all releases and notices sent by District Personnel to the public media shall be filed with the Superintendent and Principals involved.
3. While teachers may express their personal views concerning matters relating to the Turkeyfoot Valley Area School District, they shall not serve as spokespersons for the School District or the Board unless authorized by the Board.
4. Teachers and other employees are discouraged from accepting gifts, from pupils or from classes.
