<p>2. Authority SC 807.1</p>	<p>Furniture, equipment, textbooks, school supplies and other appliances (herein called "supplies") to be purchased by the district, unless exempt by statute, costing more than \$18,000, may be let on written or telephonic quotations. However, if it is not possible to obtain three (3) quotations, a memo must be kept on file for three (3) years showing that fewer than three (3) qualified contractors exist in the market area.</p>
<p>SC 751</p>	<p>All contracts for construction, reconstruction, repairs, maintenance or work on any school building as property (herein called "work"), unless exempt by statute, having a cost or value of more than \$18,000 may be let on written or telephonic quotations. However, if it is not possible to obtain three (3) quotations, a memo must be kept on file for three (3) years showing that fewer than three (3) qualified contractors exist in the market area.</p>
<p>SC 751</p>	<p>Less than \$5,000 worth of work may be done with district employees.</p> <p>When it becomes necessary to seek bids or quotations for any materials, equipment, supplies, construction, reconstruction and repair according to the Pennsylvania School Code, the Superintendent or his/her designee shall request permission from the Board to conduct such business.</p> <p>The conduct of such business shall, ordinarily, include the preparation of specifications, the preparation and placement of advertising notices, the solicitation of bids from interested parties, the tabulation and evaluation of bid responses and the recommendations leading to the award of bids. The Board, upon consideration of the tabulations and recommendations, shall award all bids.</p>

<p>3. Responsibility</p> <p>SC 807.1</p> <p>SC 751</p> <p>73 P.S.
