## STUDENT INSURANCE POLICY

**Insurance will not be free of charge for students or student athletes as in the past. As always, insurance will be offered at the beginning of each year that parents/guardians can purchase for their children. Unfortunately this insurance doesn't typically cover students participating in football. It is the parent/guardian's responsibility to provide their child with insurance. If your child does not have insurance, they will NOT be participating in any athletic practice or event. A written form will be required from every athlete that states the student's insurance carrier and/or insurance information. Pennsylvania offers insurance to ALL children through either medical assistance or PA Blue Chip. Medical Assistance information can be obtained by calling the Department of Public Welfare at 814-443-3681. If due to income you don't qualify for PA Medical Assistance and your employer does not offer insurance coverage, you can contact Blue Chip by either the internet at [www.chipcoverspakids.com](http://www.chipcoverspakids.com) or by calling 1-800-543-7105.**

**Please note any deductible or co-pay from any injury sustained at school during the school day or during an athletic event/practice will no longer be paid by the school.**

The District encourages all students to identify in new athletic opportunities and/or sports in which there is student interest to the District Athletic Director for purposes of gauging whether or not a new team can be fielded on an Intramural, Junior Varsity, or Varsity basis. Students are encouraged to contact the Athletic Director to express interest or otherwise identify sports they believe should be pursued at the Turkeyfoot Valley School District. The Athletic Director may be reached at 814-395-3621 ext. 314

**All students participating in the Athletic Co-Op Agreements with the Rockwood, Meyersdale or Berlin School Districts will now be required to pay a \$300.00 participation fee if the student quits the sport after the first regularly scheduled competition. This participation fee will be added to your student financial obligation and is considered a graduation requirement. Turkeyfoot students needing to make restitution of this obligation will make their payment to the Turkeyfoot Valley Area School District (TVASD).**

## ELIGIBILITY OF ATHLETES

To be eligible for interscholastic athletic competition, a pupil must pursue a curriculum defined and approved by the principal as a full-time curriculum. The pupil must be passing at least four (4) full-credit **Core Curriculum** subjects or their equivalent. To regain eligibility, a student must provide written proof that he/she is now passing four (4) or more full-credit **Core Curriculum** classes or their equivalent. Teachers' signatures are required. If a student is declared ineligible at the end of a grading period or semester, then the student is ineligible for a period of fifteen (15) school days.

Student athletes will however not be dismissed early from school to attend. Student athletes are required to attend scheduled practices.

To be eligible to participate in activities and/or athletics, a student within the Summit Schools Learning Curriculum must be passing four (4) full-credit subjects or their equivalent. If a student is declared ineligible at the end of a grading period or semester, then the student is ineligible for a period of fifteen (15) school days.

### Varsity/Junior High Basketball Option:

The intent of the following guidelines is to foster an atmosphere in which student athletes will have the opportunity to better develop their individual skills relative to their current abilities. Students in 9<sup>th</sup> grade may be presented with the option of moving up to play varsity basketball or staying down to play junior high basketball. This decision in large part will be made in conjunction with the coaching staff, parents, student and administration. If a 9<sup>th</sup> grade student chooses to play varsity basketball against the guidance of the coach, parent and administration, they must understand that their game playing time may be extremely limited.

## **SCHOOL ATTENDANCE**

Students participating in athletics must attend the entire day of school (8:05 am – 2:45 pm) the day of the game, practice or other event, unless an excuse is pre-arranged with the principal. The coach is responsible for enforcing this rule.

All aspects of the student attendance policy will be followed for athletics. Upon entering school after 8:05am and leaving prior to 2:45pm at the end of the school day due to an early dismissal, you must report to the office and sign in or out.

On non-school days the coach will determine whether to have practices, but cannot make those practices mandatory.

If you are absent from school during a semester for a total of 20 or more school days (without a medical excuse), you will lose your eligibility until you have been in attendance for a total of 45 school days following your 20<sup>th</sup> day of absence.

## **STEROID AND HEALTH**

Administration reserves the right to require additional meetings as necessary.

**Behavior Expectations of All Spectators**

Remember that you are at the contest to support and yell for your team, and to enjoy the skill and competition; not to intimidate or ridicule the other team or its fans.

Remember that school athletics are a learning experience for students and that mistakes are sometimes made. Praise student-athletes in their attempt to improve themselves as students, as athletes, and as people, just as you would praise a student working in the classroom.

A ticket is a privilege to observe the contest, not a license to verbally assault others or be generally obnoxious.

Learn the rules of the game, so that you may understand and appreciate why certain situations take place. Rules do change over time.

Show respect for the opposing players, coaches, spectators, and support groups.

Respect the integrity and judgment of game officials. Understand that they are doing their best to help promote the student-athlete, and admire their willingness to participate in full view of the public.

Recognize and show appreciation for an outstanding play by either team.

Use only cheers that support and uplift the teams involved.

Be a positive role model at events through your own actions and by censuring those around you whose behavior is unbecoming.

**Overall Unacceptable Behavior**

- Yelling or waving arms during an opponent's free throw attempt, serve, etc.
- Disrespectful or derogatory yelling, chants, songs, or gestures.
- Confronting a coach before, during or after the game.
- Confronting another player or spectator.
- Booing or heckling an official's decision.
- Criticizing officials in any way; displays of temper with an official's call.
- Yells that antagonize opponents.
- Blaming loss of a game on officials, coaches or participants.
- Use of profanity or displays of anger that draw attention away from the game.

## CONSEQUENCES FOR NOT FOLLOWING RULES

- First offense: spectator will receive a verbal warning by the administrator in charge.
- Second offense: spectator will be asked to leave and escorted from the contest.
- Third offense: spectator will be banned from attending all athletic events held at Turkeyfoot Valley Area Jr/Sr High School for one year.

## PARENT/COACH COMMUNICATION

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to children. As parents, when your children become involved in our program, you have a right to understand what expectations are placed on your child. This begins with clear communication from the coach of your child's program.

Communication you should expect from your child's coach:

1. Philosophy of the coach.
2. Expectations the coach has for your child as well as all the players on the squad.
3. Locations and times of all practices and contests.
4. Team requirements, i.e. practices, special equipment, out-of-season conditioning, etc.
5. Procedure followed should your child be injured during participation.
6. Discipline that may result in the denial of your child's participation.

Communication coaches expect from parents:

1. Concerns expressed directly to the coach.
2. Notification of any schedule conflicts well in advance.
3. Specific concerns with regard to a coach's philosophy and/or expectations.

Appropriate concerns to discuss with coaches:

1. The treatment of your child mentally and physically.
2. Ways to help your child improve.
3. Concerns about your child's behavior.

Coaches are professionals. They make judgment decisions based on what they believe to be best for all students involved. As you have seen from the list above, certain things can be and should be discussed with your child's coach. Other things must be left to the discretion of the coach.

Issues not appropriate to discuss with coaches:

1. Playing time.
2. Team strategy.
3. Play calling.
4. Other student-athletes.

**There are situations that may require a conference between the coach and the parent, these are encouraged. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue or concern.**

**If you have a concern to discuss with a coach, the procedure you should follow is:**

- 1. Call to set up an appointment.**
- 2. If the coach cannot be reached, call the Athletic Director. A meeting will be set up for you.**

What a parent can do if the meeting with the coach did not provide satisfactory resolution.

1. Call and set up an appointment with the Athletic Director to discuss the situation.
2. If a meeting with the Athletic Director is unsatisfactory, you may call and set up an appointment with the Principal to discuss your questions and concerns.
